May 12, 2010

Ms. Anita Corriveau
2505 Meredith Street
Philadelphia, PA 19130

Dear Ms. Corriveau:

I regret to inform you that you have not been selected as the winner of the RetroFIT Philly "Coolest Block" Contest. We have made our selection after a lengthy review of many strong applications.

Your application, essay and efforts to gather together with your neighbors to enter this contest were terrific, and on behalf of the City, the Energy Coordinating Agency of Philadelphia, and The Dow Chemical Company, I thank you for getting involved.

Even though you weren't selected, we still think you're pretty cool! And the ECA wants to offer your block a smart solutions workshop to provide tips and ideas on how you can improve the energy-efficiency of your homes and help contribute to making Philadelphia the "Greenest City in America." There are exciting new programs with rebates, tax credits and new low interest loans that ECA would like to share with you and your neighbors. The ECA staff will follow up with you directly about the workshop.

We were overwhelmed with the success of RetroFIT Philly, and excited by the enthusiasm we saw in applications that came in from across the city. We hope to be able to develop similar competitions in the future, and will be in touch with you when opportunities arise.

Thank you again for your participation in the "Coolest Block" Contest and for contributing to the pride we all feel for the great city of Philadelphia.

Sincerely,

Michael A. Nutter
City of Philadelphia
